Rehabilitation Outcomes Summary Report

Aaron Johnson admitted to Buckeye Terrace Rehabilitation and Nursing Center on October 10, 2025 under the care of Lyle Olson. During the course of the stay, Occupational Therapy, and Physical Therapy were initiated to efficiently and effectively identify Aaron Johnson's unique needs and tailor specialized treatment plans to successfully transition to the next level of care.

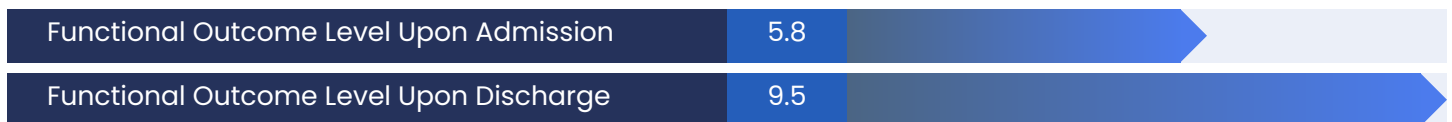

The therapy team provided skilled interventions to address the adaptation, compensation, and restoration potential of Aaron Johnson and coordinated with the interdisciplinary team to ensure appropriate clinical care areas were addressed. On October 30, 2025, Aaron Johnson successfully discharged to long term care.

The rehabilitation length of stay was 21 days.

Overall Composite Score Outcomes

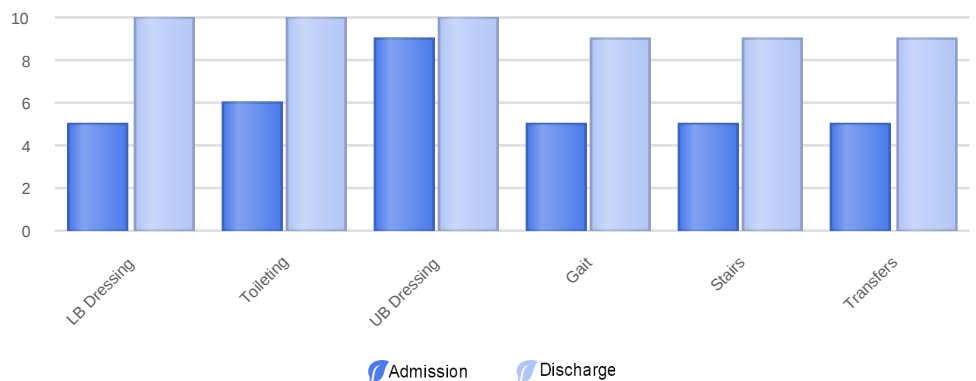

Rehabilitation outcomes are assessed on a 10-point rating scale. 10 is the most independent level of ability, and 1 is the most dependent level of ability. A score of 0 may represent an inability to perform the task. The Model 10 Composite Score represents Aaron Johnson's overall outcomes.
